APPARENT TERMINATION OF CONTRACT ON THE 30TH SEPTEMBER 2021 TO PRINT FIREARM LICENCE AND CERTAIN COMPETENCY CARDS

We refer to the above matter.

It has been reported via a number of sources and in social media, that apparently the contract for the printing of firearm licence cards and certain competency cards terminated on the 30th September 2021.

Please could you confirm or deny this, as this issue is deeply concerning to SAGA and its members, especially in light of the severe service delivery issues at CFR that is being experienced by SAGA members.

We look forward to hearing from you urgently with regards to the above.

Yours faithfully
